INSTALLATION

1. Refer to your owner's manual for handlebar and top clamp removal and installation
2. The handlebar risers and or top gauge mount will determine what length bolts you need, verify the depth of your riser bolt holes, DO NOT INSTALL TOO LONG OF BOLTS THE CLAMP WILL NOT TIGHTEN!
3. We include qty. 4, 5/16-18 x 1.250" and qty. 2, 5/16-18 x 1.500".
4. Figure 1 with the gauge mount requires the qty. 2, 1.500" bolts on the top side for the gauge bracket and qty. 2, 1.250" bolts for the lower 2 clamp bolts.
5. Figure 2 without gauge bracket use qty. 4, 1.250" length bolts for all 4 bolts.
6. Feuling recommends using lube on the underside of the bolt head and a dab of loctite on the bolt threads

IMPORTANT NOTICE:

Damage to Feuling oil pump corporation products due to incorrect installation will void manufacturer's warranty.

WARRANTY:

All parts are guaranteed to the original purchaser to be free of manufacturing defects in materials and workmanship for a period of twelve (12) months from the date of purchase. Merchandise that fails to conform to these conditions will be repaired or replaced at FOP's option if the parts are returned to FOP by the purchaser within the (12) month warranty period. In the event warranty service is required, the original purchaser must notify FOP of the problem immediately. Some problems may be rectified by a telephone call and need no further action. A part that is suspect of being defective must not be replaced without prior authorization from FOP. If it is deemed necessary for FOP to make an evaluation to determine whether the part was defective, it must be packaged properly to avoid further damage, and be returned prepaid to FOP with a copy of the original invoice of purchase and a detailed letter outlining the nature of the problem, how the part was used and the circumstances at the time of failure. After an evaluation has been made by FOP and the part was found to be defective, repair, replacement or refund will be granted.

ADDITIONAL WARRANTY PROVISIONS:

FOP shall have no obligation in the event an FOP part is modified by any other person or organization, or if another manufacturer's part is substituted for one provided by FOP. FOP shall have no obligation if an FOP part becomes defective in whole or in part as a result of improper installation, improper break-in or maintenance, improper use, abnormal operation, or any other misuse or mistreatment. FOP shall not be liable for any consequential or incidental damages resulting from the failure of an FOP part, the breach of any warranties, the failure to deliver, delay in delivery, delivery in non-conforming condition, or any other breach of contract or duty between FOP and the customer. The installation of parts may void or otherwise adversely affect your factory warranty. In addition, such installation and use may violate certain federal, state and local laws, rules and ordinances as well as other laws when used on motor vehicles operated on public highways, especially in states where pollution laws may apply. Always check with federal, state, and local laws before modifying your motorcycle. It is the sole and exclusive responsibility of the user to determine the suitability of the product for his/her use, and the user shall assume all legal, personal injury risk and liability and all other obligations, duties and risks associated therewith. Our high performance parts, engines and motorcycles are intended for experienced riders only.
